

Unfortunately, due to COVID-19 concerns the school district is not allowing us or any outside groups to rent the gym we use for practice. We have sought to find another viable practice facility but have been unsuccessful. For that reason we have to push our TNT Boy's Club Season to winter/spring of 2021.

When we get the go-ahead to rent our practice facility we will be back in touch with details for a winter/spring season. As most of you know, the clubs that have their own facilities are moving forward with try-outs at the end of Aug. For the remainder of 2020, Illinois will only allow clubs to practice and scrimmage each other. Clubs are hopeful that sometime in the winter or spring of 2021 tournaments will be allowed.

With the IHSA moving the boy's high school season to May 3-June 26th, we would love to get you all back in the gym in 2021 to train for that season. This pandemic continues to alter our plans and we know how anxious our coaches and players are to return to the gym and some normalcy. We wish you all a good start to your school year and look forward to the day you are allowed to attend in-person classes and return to the gym to practice and compete!

Stay well and I will keep you updated as I receive information on a potential return to the TNT gym.

*Best Regards,
Coach Clark
Director, TNT Volleyball*
